

**TB 12-15**

## WHEN YOU NEED AN ALL ROUNDER . . .

Whether your work is arable, vegetable or silage, TB will haul the lot. Available from 15.8m<sup>3</sup> through to 34.2m<sup>3</sup>, TB could be the only trailer you need.

**Robust chassis** – all models mounted on either an 8 or 10 mm RHS chassis.

**Heavy-duty commercial axles** – on tandem springs and a sprung drawbar featuring a leaf spring ensures the ride is smooth on all terrains – partially or fully loaded.

**Hydraulic braking system** – works in tandem with the tractor, vital for sudden braking.

**Heavy-gauge sides** – plus strengthening channels and heavy-gauge floors with hollow section runners at 300 mm centres.

Long reach chromed tipping cylinders deliver approximately 50° of tip.

**Hydraulic rear door** – features a lock valve to secure the door tightly, and a safety valve, to prevent the door being opened when the trailer is in the down position.

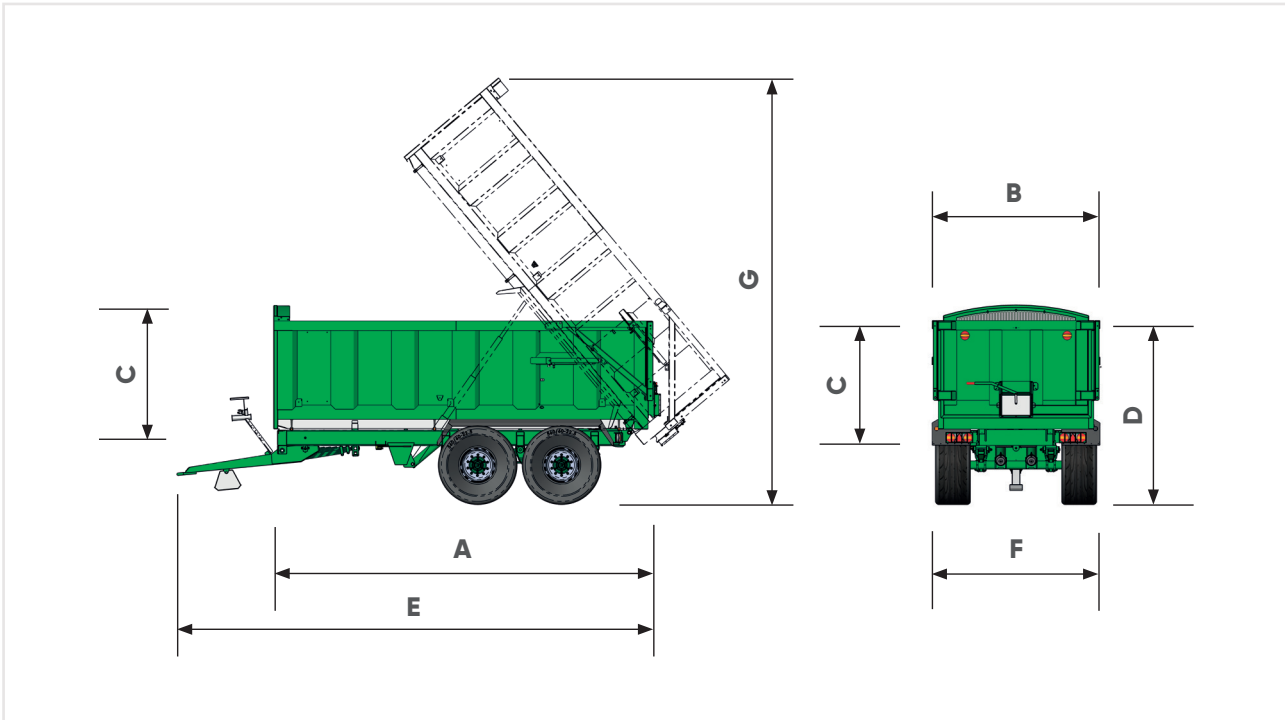

**Long reach 2 way rams** – retained in any position to allow controlled discharge of free flowing loads, plus greater clearance for heaped loads.

### STANDARD FEATURES

- Sprung drawbar
- Hydraulic brakes
- 2xcom/10 axles
- Heavy-duty EN8 towing eye
- Parking brakes
- Hydraulic door
- Skid & skid carrier
- Hydraulic hose carrier
- Rear LED lights
- Ladder
- Rear top lights
- LED beacon
