

TB 16-24

BUILT FOR HEAVY-DUTY HAULAGE . . .

Whether your work is arable, vegetable or silage, TB will haul the lot. Available from 21.7m³ through to 51m³, TB could be the only trailer you need.

Robust chassis – all models mounted on either an 8 or 10 mm RHS chassis.

Heavy-duty commercial axles – on tandem springs and a sprung drawbar featuring a leaf spring ensures the ride is smooth on all terrains – partially or fully loaded.

Hydraulic braking system – works in tandem with the tractor, vital for sudden braking.

Heavy-gauge sides – plus strengthening channels and heavy-gauge floors with hollow section runners at 300 mm centres.

Long reach chromed tipping cylinders deliver approximately 50° of tip.

Hydraulic rear door – features a lock valve to secure the door tightly, and a safety valve, to prevent the door being opened when the trailer is in the down position.

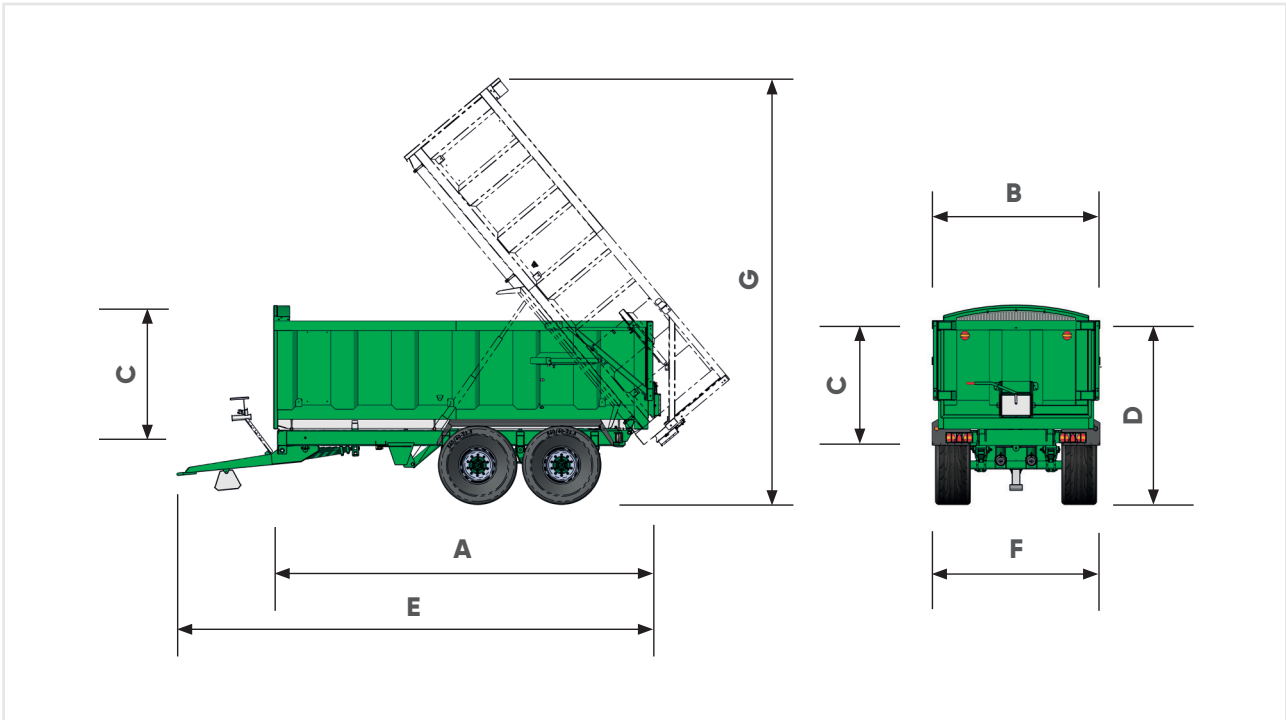

Long reach 2 way rams – retained in any position to allow controlled discharge of free flowing loads, plus greater clearance for heaped loads.

STANDARD FEATURES

- Air brakes and load sensing
- Sprung drawbar
- Hydraulic brakes
- TB 16-20
2xcom/10 axles
- TB 22-24
3xcom/10 axles
- Heavy-duty EN8 towing eye
- Parking brakes
- Hydraulic door
- Skid & skid carrier
- Hydraulic hose carrier
- Rear LED lights
- Ladder
- Rear top lights
- LED beacon
- Mudguards
- Chromed rams
- Number plate holder
- Body prop
- Anti-chip paint on headboard
